Commissioner for Patents

**REPLY BRIEF NOTED**

1. In response to the reply brief filed on 9/6/2006, the Examiner agrees that the withdrawal of the rejections of claims 21, 28, 35 and 37 under 35 U.S.C. §112, first and second paragraphs in the Advisory Action filed 2/28/2006 was overlooked and that the rejections of these claims under 35 U.S.C. §112, first and second paragraphs are not under review on appeal.

2. Further, the Examiner's contention that claims 35-38 in the applicants Brief on Appeal filed 5/15/2006 were incorrect was also due a mistake by the examiner overlooking the amended claims filed 2/13/2006. Therefore, all of the claims in the Appendix of the applicant's Brief of Appeal are correct.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Bryan R. Muller whose telephone number is (571) 272-4489. The examiner can normally be reached on Monday thru Thursday and second Fridays.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Joseph J. Hail III can be reached on (571) 272-4485. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Art Unit: 3723

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free). If you would like assistance from a USPTO Customer Service Representative or access to the automated information system, call 800-786-9199 (IN USA OR CANADA) or 571-272-1000.
